

VPS
College of Arts, Science and Commerce Lonavala

2.3.1 : Student-centric methods such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences:

VPS College conducts various student centric activities throughout the year. Our institution believes that to shape students behavior in correct manner it is important to provide effective platform for students to develop latest skills knowledge and attitude. College organizes various activities like group discussions, assignments, seminars, project writing, exhibitions, writing articles and power point presentation to provide experiential, participative and socialistic learning.

The institute focuses on the student-centric methods of enhancing lifelong learning skills of students. Faculty members make efforts in making the learning activity more interactive by adopting the below- mentioned student-centric methods.

a) Experiential Learning: To enhance cognitive levels of the students college follow below mentioned experiential learning practices –

- Laboratory Sessions.
- Project development on latest technologies by students.

b) Participatory Learning: In this type of learning, students participate in various activities such as seminar, webinars.

c) Problem-solving methods: Departments encourage students to acquire and develop problem-solving skills.

The Detailed Reports are as follows:-

1) Activity report of Student Poster Competition

Report-

- Date: 21st March, 2022
- Number of participants: 30
- Venue – classroom no-2

OBJECTIVE-

Posters can be a highly effective means of advertising and promoting a product, service or event. They are a visual medium that can quickly capture the attention of a target audience, convey key information, and leave a lasting impression.

The objective behind organization of poster making competition is to bring out the creative expression of students and to gauge their knowledge and awareness of various trends in Commerce & Management. The aim of the Poster Making Competition is not just to judge the students based on their creative aspects but also to trigger thought process among the students towards recent trends in the field BCA and BCS.

Winners List

- 1) Maitri Waghmare
- 2) Sayali Ghone
- 3) Bharati Pundir
