15. Multidisciplinary / interdisciplinary

In order to develop the all-round capacities of the students – intellectual, aesthetic, social, physical, emotional and moral in an integrated manner, the college is preparing to include multidisciplinary subjects as per the National Educational Policy 2020. Keeping in view the problems faced by the students, the college is planning to set up short term and vocational courses. The aim is to make the students equipped, so that they don't need to rely on Government jobs but instead pave a way towards selfemployment. As the College is preparing itself to have more of multi-disciplinary subjects it tries to identify the programme learning outcomes along with courses and unit learning outcomes that define the specific knowledge, skills, attitudes and values that are to be acquired by the learner and would ensure that each programme achieves its goal.

16. Academic bank of credits (ABC):

Regarding the implementation of Academic Bank of Credits, the institution has to wait for the academic council to give a green signal. The pedagogical approach of the institution is student's

centric where the faculties' pedagogical approaches are constructivist, inquiry-based, reflective, collaborative and integrative. Summative and Formative assessments and assignments are used to evaluate the Students learning outcome. The parent university SPPU has already mandated the registration of ABC for all students w.e.f. AY 2022-2023.

17. Skill development:

The vision of the college is promoting Value-Based Quality Education, hence the college takes efforts to inculcate positivity among the learners. The college also celebrates National festivals like Independence Day and Republic Day. Observing various programmes like World Aids Day, Environment Day, observing the Death and Birth Anniversary of our National leaders which help in imbibing the good qualities of the students. Mentoring students is also one of the practices of the institution, to enable students to explore future employment pathways after graduation, and help them get the most of their studies.

18. Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Regarding the adoption of Indian languages, the college offers various Indian languages like Marathi, Hindi and other optional languages as subjects in degree courses. Preservation and promoting of languages is one of the target of the College in future.

19. Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The College also makes an effort to understand that a pursuit of knowledge is a life-long activity and to acquire positive attitude and other qualities which will lead students to a successful life. To interpret, analyze, evaluate and develop responsibility and effective citizenship is one of the programme outcome of the students.

20. Distance education/online education:

The College is also preparing itself to offer vocational course through ODL (Open Distance Learning) mode in due course of time. Keeping in view the convenience of the student, the various technological tools used by the faculties especially during the pandemic lockdown are Google Classroom, Zoom, Google, using videos as teaching and learning aids, Group collaboration and interaction and assignment and revision as well as the assessments have been conducted are some of the institutional efforts towards blended learning.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Mechanism to deal with examination related grievances is transparent, time-bound and efficient. There is complete transparency in the internal assessment. The criterion adopted is as directed by the university. At the beginning of the semester, faculty members inform the students about the various components in the assessment process during the semester. The internal assessment test schedules are prepared as per the university and communicated to the students well in advance.

To ensure proper conduct of formative tests, two invigilators are assigned to each hall. Evaluation is done by the course handling faculty members within three days from the date of examination. The corrected answer scripts at random are verified by HOD to ensure the standard evaluation process. The corrected answer papers of the students are distributed to them for the verification by the students and any grievance is redressed immediately. The marks obtained by the students in internal assessment tests are displayed on the department notice board. The marks obtained by the students in internal assessment tests are uploaded periodically on the university web portal along with their attendance. Noting the values in observation and validating the theoretical aspects student must submit lab record regularly.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

The college is a traditional institute and offers BBA(CA) and B. Sc. (CS), programs affiliated to the parent university. Most of the

courses have the chock and talk method for teaching the curriculum and direct the students to learn through memorization and recitation techniques. Therefore, the college has adequate IT facilities to strengthen these programs' teaching and learning processes. The computer lab is equipped with 75 computers with the latest configurations and equipped with a wide range of licensed system software, antivirus, and application software. UPS powers the computer lab to ensure uninterrupted usage of the lab. The entire computers are connected with LAN and well connected to the internet connectivity to help students and faculty members to carry out their academic and other work. Lab assistants are appointed for daily monitoring purposes. LCD projectors are available to provide effective teaching for the student. Faculty members use PowerPoint presentations, videos, etc., in the classrooms to enhance the teaching-learning process. Scanners, printers, Xerox facilities, are available, and faculty make use of this for the benefit of students. The college campus is WI-FI enabled. Faculty members can access Wi-Fi anywhere on the campus to gain additional information, carry out research activities, download information related to the curriculum, gain further knowledge about their subjects, then pass it on to the students.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

Internal Quality Assurance Cell (IQAC) carries out activities that encompass all aspects of the Institute's functioning. The IQAC was constituted on 2nd Nov 2022.

Now, it has been performing the following tasks on a regular basis:

1. Improvement in quality of teaching and research by regular inputs to all concerned based on feedback from students.
2. Providing inputs for best practices in administration for efficient resource utilization and better services to students and staff.
3. Providing inputs for Academic and Administrative Audit and analysis of results for improvement in areas found weak. Students and staff give their feedback and suggestions on teaching and administrative performance through the Suggestion Box located in the institutional premises, or through email to the Coordinator, IQAC.

In order to advance the quality of teaching, learning, transparency in evaluation and to advance the concept of meaningful learning introduced a system of displaying answer scripts/booklets and discussing the answer scripts with the students after each semester examination. The students are provided this opportunity so that they see their own answer scripts after the evaluation, discuss their answers/responses with

the teachers, and if they commit any mistakes, know about them and find out the ways to fix and rectify them from their teachers.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

IQAC has developed an online pro forma of student feedback to gather information from the students about the courses of their study, their objectives, relevance, availability of learning resources, teaching methodology and so on. The feedback form remains available on various platforms of all the students, who are required to provide feedback on every course that they pursued in any programme at the end of each semester before they take their semester examinations.

In order to advance the quality of teaching, learning, transparency in evaluation and to advance the concept of meaningful learning introduced a system of displaying answer scripts/booklets and discussing the answer scripts with the students after each semester examination. The students are provided this opportunity so that they see their own answer scripts after the evaluation, discuss their answers/responses with the teachers, and if they commit any mistakes, know about them and find out the ways to fix and rectify them from their teachers.

This course of action was recommended by IQAC, as a quality initiative to enhance the quality of teaching, learning and evaluation. If any student has any concern in respect of evaluation, the matter can be brought to the Evaluation Grievance Redressal Committee (EGRC), which comprises HoD, one senior teacher and the teacher concerned who evaluated/ taught the subject/paper.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best Practice - 1

Zoophilist (Animal Lover)

Students and Staff members works as Snake Friend and Pet Lover. In this we rescue Snake from human residential area and free them in wild life and also Guide people abouts various species of snakes. Animal shelters are vital resources for their communities. Shelters also provide critical services such as investigating cruelty and neglect, reuniting lost pets with their families, teaching kids to care about animals, and providing spay/neuter services to help reduce pet overpopulation.

Best Practice - 2

Dhol Tasha Pathak

In this activity Staff members give training to students from rural area about our cultural and traditional Dhol Tasha. With the help of this many students have changed their way of living and working as Dhol Tasha vadak (instrument player). Working as Dhol Tasha vadak has been help such students financially. Dhol tasha is said to have been an integral part of Maharashtra from the medieval period. The dhol (double-headed drum) was also used to encourage the troupes during wars," says Parag Thakur, president of Dhol tasha mahasangh Maharashtra. It is a systematic, energetic and disciplined group dance and art form with rhythm which also helps students develop their overall personality, team building and discipline, besides inculcating cultural values and uniting towards a social change.
